**A Note to the Following AIM Families:  
Reinhard, Janz, Smith B&D, Vigneron, Sasser, Totten, Maniaci, & Gunst**

Due to your dancer's different ages and dance levels your families have dancer's in both the GREEN & BLUE shows. We did our best to put the shows next to one another so that you wouldn't have to rush out and then rush back to the theater on Saturday. We will be providing a FREE ticket to any GREEN show dancers that would be watching their sibling in a BLUE show and vice versa. An example of this would be your Jitterbugs Dancer would get a free ticket to watch their Varsity level sibling in their recital & then also a free ticket for your Varsity Dancer to watch your Jitterbug dancer's. This ticket may only be used for an AIM dancer watching their sibling.
