

Art in Motion Richmond Dance Academy

AIM Fall Semester 2021

Dance Rooms & Protocols

This year at AIM we are so happy to have our lobby open again! The following protocol is in place to keep everything organized and safe. We will have three dance rooms in use this year at Art in Motion. Parents will be asked to wait in the designated lobby that corresponds to your dancer's dance space. This year we will be asking that AIM Lobby Areas remain quiet spaces so we do not distract our dancers while in class. We ask that you keep your space clean & minimally invasive. In the past we have struggled with patrons bringing in foods that create a mess, garbage left behind, and an environment that is noisy and disruptive to the studio atmosphere. While we want our AIM Families to feel comfortable and welcome, at the forefront Art in Motion is an academy for dance, a place of learning...not a personal living room. Thank you so much for doing your part in keeping our lobby areas clean, quiet, and organized!

Lobby A (by Main Street) is ONLY to be used by our older dance students. We have tables available for these dancers to use for homework and eating. There is a restroom in Lobby A as well.

Lobby B is our Main Lobby and is in the same space as our Office & Drop Box. This lobby area is for parents of dancers in Studio A (the big room) and Studio B (our new & improved dance room!). There is also a restroom in this area.

Lobby C is for parents of dancers in Studio C (the purple dance room). The Office/Drop Box & Restroom located in Lobby B will be available for Lobby C parents as well.

All students & parents are asked to all enter from our Main Entrance from our Parking Lot off of Gleason. Students & patrons may leave AIM through any exit they choose. Thank you for your cooperation!

If you have any questions regarding our dance rooms & lobby area protocols please contact Miss Catie via text at (586)876-3822
